JAPAN NIGHT FEVER: HANEDA INNOVATION CITY

"Truly Japanese!" Food, Fun, and Knowledge Gather at HiCity

Japan Night Fever takes inspiration from the lively atmosphere of night markets — bustling after dark and fading by morning. Guests can look forward to an array of quintessentially Japanese experiences, from gourmet street food and traditional games to live performances, exhibitions, and hands-on workshops.

Beyond the festivities at HiCity, the event also encourages travelers to explore the wider Haneda area and Ota Ward, offering a richer look at the city beyond the airport.
